Public Affairs

Every Sunday morning, 101.9fm The MIX presents special Public Affairs programming to address the issues and concerns facing the people of Chicago and its surrounding communities. Rather than focus on the problems we like to emphasize the solutions, so our locally-produced "MIX Matters" features conversations with Chicago-area officials, experts, and every day citizens who are working to improve our lives and our communities. We invite you to join Public Affairs Manager Susan Wiencek Sunday at 6:30AM for MIX Matters. And then enjoy a performance by the Mormon Tabernacle Choir and Orchestra at 7:00AM.

"MIX Matters" with Susan Wiencek  
Sundays at 6:30AM

As we close out National Donate Life Month, our guests remind us of why it's so important for everyone to sign up. **Steve Ferkau**, a double-organ transplant recipient, jokes that he's slowly being rebuilt into a girl from Iowa but his story will move you to tears. And **Allison Smith**, Vice President of Operations for Gift of Hope Organ and Tissue Donor Network, explains how easy it is to become an organ donor and how each of us has the ability to help 25 people live or live better.
