

An Unforgettable Memorial Day is Just a Drive Away

With Memorial Day weekend signaling the beginning of the summer season, the three-day holiday is your opportunity to explore the multitude of

beaches, museums, festivals and other activities Illinois offers. Hop in the car with your family and enjoy the unofficial start of summer with these activities, just a drive away.

CHICAGO

One of the city's many treasures is the lakeshore that makes up **Chicago's Public Beaches**. More than 26 miles of land line Lake Michigan and provide free access to sun, sand and the beautiful city skyline. The entire family will find a place to run, swim, ride a bike, play soccer or just relax alongside the water. For more information, call (312) 742-3224 or visit www.chicagoparkdistrict.com.

NORTHERN

Northern Illinois is home to Galena, a town of memorable landscapes and vineyards that reveal the harmony of a simple, happy life. Strolling down **Main Street Galena**, named the Best Main Street in the Midwest, is a wel-

come change of pace from life in the city. Look for unique local offerings like antiques, wine, jewelry and books as you admire the 19th-century storefront facades.

Visit www.galena.org or call 877-GO-GALENA for more information.

CENTRAL

You've heard about the historic **Route 66**, now buckle your seatbelt and

discover all the unique sites along the mother road of all highways. In Springfield, be sure to stop and take photos at Shea's Gas Station Museum, then spend a day at Knight's Action Park and catch a movie at the Route 66 Twin Drive-in as night falls.

Visit www.illinoisroute66.org for a complete listing of attractions or call (866)

378-7866.

To learn more about attractions and events to visit during Memorial Day weekend, request a free copy of the *¡Vive la emoción!* brochure or make reservations through a Spanish-speaking travel professional by calling (866) 610-GOZA or visit www.disfrutailinois.com.
